Players Requesting to Compete in an older Age Group/League 2017

A written request must be forwarded to the PJSA committee by the parent/s of the player concerned. You may request the appropriate form from your league coordinator.

Each request will be dealt with on a player by player basis.

Players may only request to play up 1 grade at school. i.e. if the player is in Grade 5 (Ollyroos) he/she can go up 1 grade to Grade 6 which would leave them in Ollyroos. However if they are Grade 6 they would go up one grade to Grade 7 which would put them up to Junior High.

Factors that the Committee may consider will be:

- Is there room for that player in the requested team/league.
- Will it greatly affect the squad numbers of the team that the player would normally compete in.
- Will the player be able to play at a reasonable standard in the requested league.

Factors for the Parent to consider:

- If a player is granted permission to play in an older age group they cannot be borrowed down to the league below despite being the correct age.
- Any injury received by the player may cause complications in the insurance process, parents must be aware of this responsibility.

Requests can be sent to admin@peelsoccer.com.au or PO Box 2171, Mandurah 6210, these will be tabled at the next committee meeting.
