Please note that approval for teams is subject to meeting the Association's criteria including but not limited to; school attended, suburb of residence, team history, no trials or selection process based on skill and teams must be willing to take other players if requested. Teams are subject to approval/change to benefit PJSA as a whole. Teams may be formed only by the Association outside these criteria and approval is at the Association's discretion. Registration details or completed forms must accompany this list, unpaid and/or unregistered players can be added but if another player submits their paid registration first, they will be given preference.
